COMMUTER STUDENT PARKING

All commuter students with a vehicle on campus (even those parking for free at Cajun Field) ***must have an active permit*** with Transportation Services each semester.

Students commuting to campus will be able to obtain Fall Semester parking permits in **early August.** To do so, students will log into ULink, select "Campus Services," select "Access my Parking Account," and then select "Get Permit." There is a two-step process for obtaining a permit:

1) Registering the vehicle to the parking account
2) Obtaining or purchasing the permit.

Commuter students have the following parking options:

- **Free (with permit) Parking at Cajun Field:** Commuters have the option to select the free commuter parking permit and ride the UL Lafayette transit buses to campus. Students should arrive at Cajun Field at least 45 minutes before class. Click here to see the transit schedule.

- **Girard Park Circle Parking Tower Permit:** This on-campus parking permit can be purchased through ULink for $325 per semester (permits must be renewed each semester). This location offers 900 guaranteed permit parking spaces on floors three through six. These do sell out quickly due to the fixed number of parking spaces for this area.

HOURLY PARKING OPTIONS

Students and guests can use the ParkMobile app for hourly, paid parking in designated areas. Hourly ParkMobile zones can be found at two on-campus locations and three near-campus locations.

- **On-Campus Locations:** The Girard Park Circle Parking Tower (floors 1-3) is available for hourly parking. The price is $5 for the first 2-hour minimum and $1 per hour thereafter. The second on-campus hourly parking lot is located at the corner of UPA Drive and South Campus Drive (near Cajun Village Apartments). Hourly parking is allowed inside the lot from the corner to the ParkMobile signs.

- **Near-Campus Locations:** Three hourly parking lots near campus are located at 101 Mildred Street, 119 West St. Mary Street (behind the Burger King), and 333 East University Street.

Additional hourly parking options are available after 4:30 pm daily. These additional lots include areas reserved for employee permit-only parking during the day. These locations may be viewed on the ParkMobile app after 4:30 pm Monday through Friday.

HANDICAP PARKING

Any individual who requires special accommodations for handicap parking on campus should contact the Office of Transportation Services and provide appropriate state-issued credentials in order to obtain a handicap parking permit.

Vehicles in handicap spots without displaying the proper state-issued credentials will face a $300 citation from the University and may be immobilized or towed at the owner's expense. If immobilized, a $100 fine is added to the balance due and all fines must be paid prior to removal.

VISITOR PARKING

Guests can use the ParkMobile app to pay for hourly parking in the Girard Park Circle Parking Tower first through third floors or any of the ParkMobile lots. For more information about ParkMobile, visit ParkMobile at UL.

Free 30-minute parking is available in the side lot of the Student Union. Please note that the 30-minute limit in this area is strictly enforced!
