- **Assigned housing community (if living on-campus)**
- **License plate number and state of issue**
- **Vehicle year, color, make, and model**

- Parking regulations remain in place **24 hours a day, 7 days a week**.
- Vehicles must be parked in such a way that the license plate is visible from the aisle.
- Any parked vehicle must be registered with the Office of Transportation Services or parked in one of the hourly parking zones with time paid.
- A vehicle may be immobilized or towed after it has accumulated three unpaid citations.

BICYCLE INFORMATION

UL Lafayette is a bike-friendly campus offering special bike lanes on St. Mary Blvd. and multiple bike racks across campus. All bikes on campus must comply with state requirements and regulations. Read more about the [Rules of the Road](#) for bicycles, and be sure to have your student [register their bike](#). Other rules include:

- Bicycles must be secured to a bike rack. Students are encouraged to use a **U-bolt lock** as they are the most secure.
- Bicycles cannot be secured to handrails, fences, trash receptacles, trees, trip rails, sign posts, or anything other than a bike rack.
- Bicycles not properly secured to a bike rack will be collected by Transportation Services.
- Bicycles that remain in bicycle racks or other places 7 days after the end of the semester will be collected by Transportation Services. Bicycles that remain unclaimed for 6 months will be disposed of according to State of Louisiana rules and regulations.
